### A Letter from Pastor Paul

Throughout the history of mankind people and societies have always done more together. One of the hardest things to accomplish is to get a group of different people to come together and unify to a

common goal. Living Hope is a rallying point for different, imperfect people. What unites us? Its our purpose to not build our individual kingdom's, but the Kingdom of God. When people of different backgrounds unite, truly nothing is impossible for them. I often refer to our church as a "special forces" group that is small but highly effective. Since we started our church it has grown to 150 people with an average attendance of 130 on Sunday mornings. We hold the banner high of unification amidst an alienating culture and it is making a difference in people's lives. With nothing and no denominational backing, we have seen God continually fill our seats and our hearts. Every time we step out God blesses us and those that help us. Yet we need you to unite with us to make the next step. Thank You for taking the time to consider uniting with us!

## Our Challenge

In the past three years we have seen God bless us with over 18% annual growth. Simply put, every time we give God more room He fills it up! God has provided us with so much, and has overflowed our hearts and sanctuary with people that are hungry for more of Him. We don't have any more room for seats in our current space (we have expanded the sanctuary three times). So its time to move.

## Our Opportunity

The above floor plan offers us more than 15,000 square feet, triple our current space, at nearly the same cost. This location is surrounded by BWI, one of the busiest malls in America (Arundel Mills) with the busiest movie theatre in Maryland, and more than 60,000 new jobs that will soon be coming to our Ft. Meade area. Our new location has 220,000 people within a 3 mile radius where over 18,000 people drive by each day. Our goal is to move forward "debt-free" into our next facility. If we have 75 people give an extra \$32 a week for the next 24 months then we will be able to meet our projected goal. That's skipping y our favorite restaurant once a week to help build the Kingdom. We are asking our church family to honor God by committing to a 24 month giving challenge, above and beyond regular giving. Based on our research and the local real estate market we anticipate that our move will cost us \$250,000. That \$32 a week from 75 people covers \$250,000!

## What Can You Do?

### 1. Pray

The Scriptures teach that, ultimately, giving financially to God's work is an act of worship. So, let's begin by praying that God would overwhelm us with a spirit of gratitude for all that He has done for us, both as individuals and as a church. Let's pray that He would motivate and enable us to give generously to this project and that He would amaze us with His abundant provision through this campaign.

### 2. Participate

We will need all God's people and their many gifts. Whether God has blessed you with the gift of child care or construction, we'll need you all. Take some time to think about what you could do to help all of us move into this larger building.

### 3. Pledge

Carefully consider what you could pledge to this campaign over the next 24 months. After careful prayer and planning, please complete the enclosed pledge card with the amount that God is leading you to give over the next 24 months.
